

Trinity

BLUETOOTH • TURNTABLE • DAB

The GPO Trinity combines 3 favourites - turntable, radio and Bluetooth speaker - into a stylish, compact unit. Finished in wood and black vinyl, the Trinity has a classic, timeless look that will complement any record collection.

Features

- Play 33, 45 and 78RPM records
- Listen to DAB/DAB+ and FM radio
- Stream from your smartphone/tablet via Bluetooth
- Record your music to USB or TF card
- Experience easy-to-use controls and a crisp LCD display
- Set an alarm to wake up to your favourite radio station
- Control the sound with the built-in Equaliser
- Enjoy 3 Watts per channel or add external speakers for extra punch
