	Name	Description
1	Line Port	Allow connect to telephone line..

3. Installation

The following illustration shows how to install the phone and stand.

4 Operation

Answering a Call

An incoming call is indicated by a ringing tone and a flashing indicator at the top of handset. You can answer the call by doing one of the followings:

- Pick up the **handset** to answer the call.

Making a Call

Dialing with the Keypad

- Enter the telephone number with the alphanumerical keypad.
- To make another call without placing the handset on the base, press and hold the release key to cut off the line. Then release the key and dial the desired phone number.
